

ANNUAL MEETING OF THE GLOBAL TASKFORCE 2024

Tuesday 20 February

All participants. Special focus on the networks of the Global Taskforce.

The Global Taskforce Day will be looking at the organized constituency's joint work programme and the international agenda of 2024, building on the SDG Rescue plan and the work presented around coalitions during the SDG Summit.

Towards Cities, Governments and a Multilateral System that Care for People, Democracy and our Planet

11:00-11:15

This segment will set the stage for the discussions recalling 2023 and the SDG Rescue Plan whereby the constituency presented multi-stakeholder localization commitments and high-impact coalitions to achieve the 2030 Agenda at the SDG Summit. This framing will take into account the next milestones for the year including the UN's Summit of the Future and the work of the Advisory Group on Local and Regional Governments, particularly its upcoming Deliverables 2 on institutional mechanism for local and regional government engagement in the UN and Deliverable 3 on a policy brief to strengthen cooperation between national and local and regional governments and the UN Country Teams.

Emilia Saiz,
Secretary General
of CGLU

Uğur Ibrahim Altay, Mayor of
Konya, President of
UCLG

Nina Hachigian, U.S. Special Representative for City and State Diplomacy

SDG Calls

Launching the GTF calls on Transformative SDGs towards the 2024 HLPF

Fostering Ecological Transformation

11:30-13:00

Facilitated by Gino van Begin, Secretary General, ICLEI

Achieving ecological transformation and adapting to climate change will be high on the agenda for 2024. This segment will be devoted to the constituency's priorities related to ecological transformation and within the framework of the LGMA as well as concrete

initiatives and milestones to take into account. A special focus will be placed on SDG 13 and a special call for the constituency to accelerate its implementation.
